### WHY JOIN?

- Our unconscious ideas about money define us without us even knowing it.
- Develop skills to make the unconscious conscious and discover how to shift your relationship with money.
- Understand very clear ways to translate beliefs into tools to improve emotional well-being.
- It will be fun.

### THE PROGRAM

#### Day 1:

**09:00 - 12:00**

The first half day is dedicated to setting up the context for the 2-days and digging into money and its current state in our lives. There will be interactive experiences. We will begin to see the relationship between money and beliefs.

**12:00 - 13:00 (Lunch)**

**13:00 - 17:00**

The second half we will work in pairs to practice and build awareness incrementally.

#### Day 2:

**09:00 - 12:00**

Take off from where we started, introducing your money history and practice with the projection / reclamation framework.

**12:00 - 13:00 (Lunch)**

**13:00 - 17:00**

Practice, practice, practice, with integration discussions to help root the new awareness.

Close with an understanding of what money has meant in the past and how that has shifted.
